

## Install IE Tab for Firefox 42

Due to the Firefox42 and above support is no longer NPAPI plug-in, so the user need to add IE tab for Firefox.

Here is steps how to install IE Tab for Firefox:

1. Please click the link <https://addons.mozilla.org/en-US/firefox/addon/ie-tab/> to download IE Tab for Firefox.

2. Open the Firefox, right click and choose "View Page in IE Tab". Then you can view the live stream of camera.
